Mr. Seymour S. Schweitzer
Collector of Internal Revenue
341 Ninth Avenue
New York City

Dear Mr. Schweitzer:

Mr. Costello was in this morning and he has tried to refresh his recollection as to what his expenditures were in 1941, other than the payments made to his wife which took care of all the living expenses, such as rent, food, insurance, clothes, automobile operating charges, etc. His recollection is that out of the moneys given to his wife she purchased a Cadillac in that year and turned in their old car in exchange.

That in 1941, he purchased $300. worth of Victory Bonds for which he paid $225. His personal expenses, as nearly as he can estimate them as of this date, for 1941 were approximately $80. a week.

I trust that this information will give you the necessary facts.

Very truly yours
